

Making Sense of Money

We are working towards becoming a MoneySense Accredited School as part of our commitment to teaching our pupils how to use money safely and responsibly. Earlier in the year we were joined by volunteers from NatWest to run workshops with many of the classes.

Reception, Year 1 and Year 2 learned about how we use money, how it can be spent, saved or donated. They also explored the difference between 'needs' and 'wants'.

Years 5 and 6 became detectives to solve a crime of fraud as part of their workshop to understand the dangers of identity theft and fraud.

The children received certificates and we are very grateful to the volunteers from NatWest.

The MoneySense website mymoneysense.com has a Parents section where you can download activities to do at home. Your children can also explore a Virtual Bank to get used to the services in a real bank branch.

The NatWest team will be back next year (2019/2020) to work with Year 3 and 4 children.
