-------------------------------------	---

Good luck Year 6 - Year 6 begin their end of primary school SATS tests on Monday next week. They have been practising hard. Thank you to Mr Flanagan and the team for supporting them and helping them to prepare for next week.

Goodbye Mr Haley - Mr Haley will be retiring at the end of term after many years of service supporting the children of Shirland Primary School. His knowledge of nature and terrible jokes will sadly be missed. On behalf of the team, we wish Mr Haley a long, healthy and happy retirement.

Uniform - If you order new uniform before the summer cut off (7 June 24) you are guaranteed delivery before the holidays. If you order after this date, uniform will arrive week commencing 9th September.

Ivengers and Online Safety - This term our team of Ivengers will be supporting classes in school to understand the concerns of taking dangerous or inappropriate selfies and posting them on line.

Family Holiday Requests - Just a polite reminder that holidays during term time are not permitted. The Education Regulations state this clearly. If you need to take your child out of school for any reason or duration, please ask for a 'pink' form at the school office. Please provide as much detail as you are able and return the form to Mrs Ogden in the school office.

Wellbeing coffee morning - Thank you to those families who attended our wellbeing café to meet Sophie Tipple from CAMHS who led a discussion relating to children's mental health and how we can improve services in school. She was also able to offer helpful tips on how to manage anxiety and dysregulated behaviours in the home.

Road Safety - Please continue to park with safety and consideration for our neighbours. Local police are patrolling the area due to several reports of dangerous parking and have begun to issue parking tickets.

In response to this we are also offering road safety classes to our children annually, and bikeability to our Year 5s and 6s.
